SUMMARY

Frontend Developer with 2+ years of hands-on experience in building responsive, accessible, and high-performance web applications. Skilled in React.js, TypeScript, JavaScript, HTML5, CSS3, SASS, TailwindCSS, Bootstrap, and jQuery. Adept at integrating RESTful APIs, optimizing user interfaces for performance and accessibility (WCAG compliance), and delivering scalable solutions within Agile environments. Passionate about continuous learning, emerging technologies, and delivering outstanding user experiences.

WORK EXPERIENCE

Software Developer , Kallos Solutions Pvt. Ltd.

Oct 2024 - Present

- Developed and maintained responsive web applications using jQuery, Bootstrap, HTML, CSS, and JavaScript.
- Created scalable, reusable components and optimized pages for performance and faster load times.
- Ensured seamless functionality across different screen sizes and browsers through responsive design and cross-browser testing.
- Integrated RESTful APIs for dynamic content updates and asynchronous operations.
- Conducted user testing to validate application usability, functionality, and performance.
- Prepared detailed project documentation to support development processes and future updates.
- Collaborated with cross-functional teams to deliver high-quality, user-centric solutions aligned with business objectives.
- Identified and resolved cross-browser compatibility issues, ensuring functionality and appearance.

Associate Consultant , Atos | Eviden

Sep 2022 - Aug 2023

- Experienced in full-stack development using HTML, CSS, JavaScript, React JS, MySQL and Java.
- Focused on improving code quality, resolving cross-browser compatibility issues, and optimizing performance to enhance user experience.
- Implemented strategies to reduce bounce rates and improve website responsiveness.
- Hands-on experience as a Salesforce Administrator, including package installation, Object Manager, App Manager, and page layout modification.
- Automated workflows using Salesforce Flow and Process Builder, reducing manual tasks and improving operational efficiency.
- Managed user roles, profiles, and permission sets to ensure secure and role-based access to Salesforce data and features.

Systems Trainee , Intellect Design Arena

August 2021 - May 2022

- Developed responsive, SEO-optimized websites using HTML, CSS, Bootstrap, and JavaScript, ensuring seamless functionality across devices and screen sizes.
- Skilled in performing CRUD operations with MySQL, optimizing data management for efficiency and scalability.
- Implemented SEO strategies and ensured adherence to WCAG standards, optimizing website performance and accessibility.
- Focused on enhancing user experience by designing responsive, accessible, and high-performing web applications.
